Dear Lawrence Branchetti,

Thank you for your performance at the 5th Annual North Miami Beach Italian Heritage Festival. Your performance was one of the most dazzling and breathtaking performances I have ever heard. Everyone that attended your outstanding show still continues to pursue me and talk about your spectacular singing. Thank you again for making the 5th Annual North Miami Beach Italian Heritage Festival a complete success.

It would be a great honor to have you return to our 6th Annual North Miami Beach Italian Heritage Festival coming up on October of the year 2000. We wish you great success as you strive for new endeavors. If you shall ever need a letter of recommendation from me in the future, please feel free to contact me at anytime.

Sincerely,

Kenneth A. De Fillipo
Vice Mayor of the City of North Miami Beach
