Dear Lawrence,

I am writing to express our gratitude for the outstanding show you put on at our organization's national convention in Florida.

Many of our members commented on how very much they enjoyed your personal performance, as well as those of the guest entertainers you provided.

Your choice of songs, your polished delivery and your interaction with the audience created a memorable evening for our Italian American membership.

I would highly recommend you to any organization looking for exceptional entertainment.

Best wishes,

Basil M. Russo
National President
